Graph Databases are a Hot Topic at the NoSQL Now! Conference this Year

July 12, 2012 [Internet](#) [No comments](#)

Los Angeles, CA (PRWEB) July 12, 2012

DATAVERSITY today announced its extensive agenda for its Graph Databases sessions taking place August 21 23 at the San Jose Convention Center during the 2012 NoSQL Now! Conference and Expo.

Graph databases are HOT! They're a key NoSQL technology enabling a new class of analytical capabilities which simply hasn't been available before with conventional database technologies.

For example, graphs can answer questions like:
